

# REGIONALISATION PROCESS, SUBREGIONAL CHARTER AND STRUCTURE

Jacob Barasa Wanyama  
SRC-ESAPP

# INTRODUCTION

The regionalisation process envisages the establishment of 3 regional networks: Asia, Andes and Africa.

Through the Proli-FaNS and SULCI-FaNS projects, this process has been set in motion in Africa.

No presentation on progress in Africa during last IPW but SRC-WCA send PPT that was included in IPW report

# SUB-REGIONAL PLATFORMS

Platforms seen as dynamic,  
starting by including  
interested individuals from  
SR organisations and then  
seeing how things evolve

SRCs to identify such  
individuals and have them  
validated as “Friends” at  
African regional meeting

# ACTIONS BY SRCs BEFORE THE AFRICAN REGIONAL MEETING

Decide whether and how taskforce members of should be changed – in consultation with CPs & POG member from SR

Revise and finalise SR charters based on results of 2019 meeting & share them (they don't have to be identical)

Get input from CPs on organisations and individuals to be invited to join SR platforms and how

Prepare for discussion of regionalisation at next African regional meeting (proposed structure, organisations, SR Oversight Group); adaptation & confirmation

Tap experience and capacities of Friends of Prolinnova in moving regionalisation process forward
